NEW DROP BOX LOCATION

Southern Lock & Glass has installed a new “in-wall” drop box for all water bill payments and other related business. The gray drop box is located on the south side of the Community Center building, in the east corner. This allows for a more secure, no contact option for water bill payments.

PLOWING

As we get into the cold winter months, please remember to remove vehicles from the roadways and alleyways after a snow that requires plowing. Everyone doing their part will help to keep the roads clear and free of icy mounds that can cause damage to vehicles.
