UPCOMING CITY COUNCIL MEETINGS

The next city council meetings will be January 4th at 6:30 and February 1st at 6:30. The public is encouraged to attend.

CHANGES TO WATER BILLS

The water bills will now be calculated **every third Tuesday of the month**, previously they were calculated the 24th of every month, barring weekends and holidays in which case the calculation was done earlier. This will result in more time for residents to pay their water bills as **the due date will remain the 15th of the following month**.

PLOWING

We have somehow been lucky to make it for most of Winter 2020 without a plowable snow fall! BUT the snow will no doubt be brought in with the new year. When that happens, please remember to clear the roadways, alleyways, and boulevards of all vehicles to allow the plows to completely clean the streets! The boulevard is typically 10-15 feet from the edge of the road depending on which street you are on; this will save your vehicle from the snow coming off the plow blades. Everyone’s cooperation with this is greatly appreciated!

THANK YOU!

Former Council Members Nancy Toot and Linda Pederson would like to thank the residents and the City for letting them serve on the City Council. Both are grateful for the opportunities they have been given and wish the best of luck to the new Council.

CHRISTMAS LIGHTS

The City would like to recognize everyone that took the time to decorate and put up Christmas lights for everyone to drive around and see. Hartland looks phenomenal and the work everyone put in has not gone unnoticed! We love to see the holiday spirit and bright lights in a year that has been gloomy.
