

HARTLAND HERALD

April 2021 Newsletter

SPRING CITY WIDE GARAGE SALES

The City of Hartland will be hosting a Spring City Wide Garage Sale event alongside New Richland on April 24th. There will be no charge to be placed on the map, just contact the City Clerk at 507-845-2469 with your information or leave a note with your information in the payment drop box at the Community Center. **Information for the map must be received by April 16th to be included.** We will distribute maps to local businesses in Hartland and New Richland and create a Facebook event; any other advertising desired will be the responsibility of each individual.

ADOPT A SPACE TO DECORATE

There are still a few planters and areas around town that need decorators for the 2021 season! We are also looking to start a "Gardening Club" of a few interested people that would be willing to weed and "dead head" the various plants around town, a few times a week; the City will take care of watering. Please call the City office at 845-2469 or email at cityofhartland@deskmedia.com with any interest or questions. Interest with the Gardening Club can be directed to Judy Hendrickson at 845-2841 We are very excited to see what everyone comes up with!

NEW RICHLAND BLOOD DRIVE

The last blood drive in New Richland was a major success with a total of 45 units of blood collected. Thank you to everyone that took that important hour out of their day to make their donations!

The next blood drive is scheduled for Wednesday, April 7th from 12-6 pm – this drive is sponsored by the students of NRHEG. To set up an appointment, call 1-800-733-2767 or visit RedCrossBlood.org and enter New Richland Community to schedule an appointment. Appointments are required. Everyone that is feeling well is encouraged to donate.

Little Free Library

A free library is available for use in the Community Center near the Fire Hall door.

The Community Center is open during office hours (see below) or during the exercise class on Tuesday and Thursday mornings from 9-10 am. Be sure to check it out!

CITY BRUSH DUMP SITE

As the snow is melting and Spring Cleaning comes in full swing, please feel free to use the City brush and yard waste dump site ~1 mile North of Hartland on Highway 13. **This site is for natural yard waste and brush only.** Recycling bins are located behind the bar and trash services are provided by Thomson Sanitation and Waste Management.

WALKING WEATHER

With this warmer weather, please be courteous of others and observe the City Ordinance #91 requiring animals to be on a leash and under control at all times; this includes when dogs are let out for the bathroom. Animals wandering into neighboring yards are considered to be running at large, which can lead to fines for the owner. Let's all do our part to enjoy this weather with our furry friends – responsibly!

"Some old-fashioned things like
fresh air
and
sunshine
are hard to
beat."
