November 2020 Newsletter

“Be present

in all

things and

thankful

for all

things.”

-Maya

Angelou

REMEMBER TO VOTE

All registered voters should have received their ballots in the mail. Instructions are included with the ballot, but don't forget all ballots must be completed and post marked by **November 3rd** to be counted. **If you'd like to vote in person**, you can go to the Freeborn County Auditor-Treasurer's office, request an absentee ballot, and submit it to their office in person. This can be done early, or on Election Day: November 3rd. For more information or any questions regarding the election, please call the auditor-treasurer's office at (507) 377- 5121.

GENE PEDERSON MEMORIAL BENCH

The Pederson Family would like to thank the Mayor, City Council, and citizens of Hartland for their generous gift of a bench in Gene's honor. Gene served many years on the Fire Department and City Council and is remembered for his hard work ethic and kind spirit to all which fostered many lifelong friendships. The bench was recently installed in front of the Community Center and it is the hope of the Pederson Family for this bench to be a place for people to sit, visit, and enjoy the City of Hartland and all it has to offer.

FALL CLEAN UP

Please keep in mind that the City does not permit burning of leaves or any waste within city limits, only recreational fires in a contained fire ring. You can take yard waste out to the City Compost Site; this site is for yard waste and brush **only**.

NEW RICHLAND AREA FOOD SHELF

NRAFS is open the 1st and 3rd Tuesday from 1-6pm, or by appointment. Call 952-649-7579 or 507-461-9253. Check their Facebook page for more information.

MN SPEED TEST INITIATIVE

The MN Speed Test Initiative wants to find out exactly where broadband service is available in Minnesota and what speeds people are receiving; this will give a more accurate mapping to see where gaps in coverage are. The future result will be better coverage options for residents of rural Minnesota. The speed test takes less than 30 seconds: www.mnruralbroadbandcoalition.com/speedtest

UPCOMING CITY COUNCIL MEETINGS

The next city council meetings will be November 2nd at 6:30 and December 7th at 6:30. The public is encouraged to attend.

City Office: 507-845-2469

Office Hours: Tuesday 11:00am-1:00pm Wednesday 5:00pm-7:00pm
